Serving adolescents, adults and
geriatrics

Welcome to BCA Permian Basin

BCA Permian Basin is able to provide convenient and coordinated quality care for individuals and families facing mental illness, behavioral disorders and family crises. With a team of psychiatrists and allied mental health professionals working together under one roof, your family can receive all of your inpatient mental health needs from one convenient location. Collectively, our team of professionals provide comprehensive and progressive services delivered with compassion, integrity and dignity.

BCA Permian Basin is a part of Behavioral Centers of America. We own and operate free standing inpatient psychiatric hospitals, residential treatment centers, psychiatric specialty units within medical-surgical hospitals, outpatient diagnostic and treatment clinics, and home based programs in multiple states and locations. We invite you to learn more about us, and see how BCA is redefining the way mental healthcare is delivered.

Services include:

Psychiatric Evaluations
Chemical Dependency
Medication Management
Psychiatric Care
Psychological Testing
Educational Testing
Counseling & Psychotherapy
Dual diagnosis (chemical dependency and psychiatry)

Our Mission

To strive daily to set ourselves apart from other mental health facilities, by offering individualized, superior care that improves the quality of life for our patients and provides a reliable resource for the community.
